The screenshot shows a web browser window displaying the Metadata Builder Software interface. The browser address bar shows the URL `http://203.148.160.167:8080/admin/index.jsp`. The interface includes a search bar with fields for 'Description' and 'Name', and a 'Search' button. Below the search bar is a 'Field List' table with columns for ID, Name, Description, Condition, and Operation. The table contains 12 rows of metadata fields. A sidebar on the left contains navigation options, with 'Download metadata' highlighted by a red box and 'Field List' highlighted by a green box.
